COMPANY STRUCTURE

(Apex Computer Technology (Pvt.) Ltd., / Pure Tech Solutions)

INCIDENT RESPONSE AND RESOLUTION

The response time would be 2-3 working hours from the time of a breakdown has been notified. This is valid only for the customers who are in Colombo and suburbs (within 20Km from Colombo). The faults of the customers who are living over 20KM from Colombo also can be attended. In this case, the customer is requested to discuss with the service staff to get the faults attended based on the urgency of the requirement.

FAULTS ATTENDANCE

Faults will be attended Monday through Friday from 8.30am to 5.00pm and on Saturdays from 8.30am to 12.30pm. The maintenance work could be carried out even out side the working hours but would be charged at a higher rate than the standard where the prior approval should be taken from the company.

SERVICE TEAM

Dedicated customer support team is available to carry out the necessary repairs in our fully equipped workshop. The Engineering Team is qualified and competent enough to handle all Software and Hardware related problems.

VISION

To be a leading company in the IT Industry
